EDUCATION

Bachelor of Technology - Computer Science & Engineering KL University, Guntur, AP	2022 - 2026 <i>CGPA: 8.9/10.0 (89%)</i>
Intermediate Education (Science) Sri Chaitanya Junior College, Vijayawada, AP	2020 - 2022 <i>Percentage: 88.1%</i>

TECHNICAL SKILLS

Programming	C, Java, SQL, JavaScript, HTML5, CSS3
Web Technologies	MERN Stack, Spring Boot, Flask
Databases	MySQL, PostgreSQL, NoSQL
Cloud Computing	AWS, Multi-cloud Networks
AI/ML Technologies	Machine Learning, Data Analytics, Deep Learning NLP

EXPERIENCE & KEY PROJECTS

Full-Stack Real Estate Platform <i>Live Project React, TypeScript, Node.js, Supabase</i>	2026
- Developed a robust full-stack real estate marketplace platform utilizing React, TypeScript, and Node.js/Express. - Integrated Supabase Auth for streamlined, secure user and agent registrations with robust role-based metadata access controls. - Optimized PostgreSQL database pool reliability by implementing robust connection timeout handlers and custom error listeners to systematically resolve remote Supabase pooler latency issues. - Configured automated deployment pipelines and zero-downtime infrastructure configurations leveraging Render Blueprints.	
Real-time Indian Stock Monitoring & Analytics Platform <i>Live Project React, Node.js, Express</i>	2026
- Developed a full-stack platform tracking 2,000+ NSE-listed stocks and 17 market indices with live pricing, top gainers/losers, most active stocks, and 52-week high/low movers. - Built advanced interactive charts supporting candlestick, line, and area views with volume data, technical indicators (SMA, EMA, RSI, MACD), and custom timeframes from 1-day (1-min candles) to 1-year. - Implemented a complete user toolkit featuring customizable watchlists, automated price alerts with notifications, and a virtual portfolio tracking system for holdings and real-time P&L. - Integrated advanced stock screening with multi-filter sorting, sector performance heatmaps, and live financial news feeds.	

CERTIFICATIONS & ACHIEVEMENTS

- **RED HAT Certified Enterprise Application Developer**
- **Salesforce AI Associate**
- **Multicloud Network Associate**
- Received Academic Excellence recognition for consistent high performance throughout the Computer Science coursework.

ADDITIONAL INFORMATION

Interests	Competitive Programming (Active participation), AI/ML Research
Availability	Immediate availability for internships and full-time positions
